6. CUSTOMER SERVICE FAQs

Q: How do I find my shoe size?

A: We provide detailed sizing charts on our website. Our shoes run true to US size. If uncertain, order two sizes and return the one that doesn't fit for free.

Q: Are the shoes waterproof?

A: Our Urban Essentials and Street Style collections are water-resistant but not fully waterproof. The Trail Explorer collection features water-resistant treatment for outdoor use.

Q: How should I care for my eco shoes?

A: Clean with cold water and mild soap. Air dry naturally (avoid direct heat). Use a soft brush for canvas. Our materials naturally improve with age and wear.

Q: Do you offer warranties?

A: All shoes come with a 1-year manufacturing defect warranty. Defects in materials or craftsmanship are covered with free repair or replacement.

Q: Can I customize my shoes?

A: Yes! Select collections offer customization: choose upper color, sole type, and add personalization (name, initials). Customized orders take 7-10 days.

Q: What if the shoes don't fit?

A: Use our 60-day return policy. Order the next size, return the original pair free. We'll even cover return shipping with a prepaid label.

Q: How do I track my order?

A: You'll receive a tracking number via email immediately after shipment. Track your package on our website or use the carrier's tracking link directly.

Q: Do you ship internationally?

A: Yes! We ship to 50+ countries. International shipping costs \$19.99+ depending on location. Orders arrive in 10-15 business days.

Q: What payment methods do you accept?

A: Credit cards (Visa, Mastercard, Amex), PayPal, Apple Pay, Google Pay, and buy-now-pay-later options (Klarna, Afterpay).

Q: Is my personal data secure?

A: Yes. We use industry-standard SSL encryption. Your data is never sold to third parties. Review our full privacy policy on the website.

7. CHATBOT TRAINING Q&A; PAIRS

The following Q&A; pairs are designed to train your local chatbot. Each pair represents a common customer query and the appropriate response.

Q1: What makes Eco Friendly Shoes different from regular sneakers?

A: Eco Friendly Shoes are made from sustainable materials like recycled plastic, plant-based leather, and cork soles. Each shoe prevents 500g-1kg of ocean plastic from landfills and saves 50-100 liters of water compared to traditional sneaker production. We're committed to transparency, ethical labor, and measurable environmental impact.

Q2: How much does it cost?

A: Our prices range from \$79-\$169 depending on the collection. Entry-level sneakers start at \$79, mid-range options are \$99-\$129, and premium outdoor/athletic shoes are \$129-\$169. We also offer regular discounts and a loyalty program.

Q3: Do you have a return policy?

A: Yes! We offer a 60-day money-back guarantee on all shoes. Returns are free—we provide a prepaid shipping label. Refunds are processed within 5-10 business days of receiving your return. No questions asked.

Q4: How long does shipping take?

A: Standard shipping is free (5-7 business days) on orders over \$50. Express shipping is \$9.99 (2-3 days) and Overnight is \$24.99 (next business day). International orders take 10-15 business days and start at \$19.99.

Q5: Are the shoes comfortable for everyday wear?

A: Absolutely! Our shoes are designed for comfort and style. They feature cushioned insoles, breathable materials, and supportive soles. Most customers report they're comfortable for all-day wear, from commuting to casual outings. Check our reviews for real customer feedback.

Q6: What sizes do you carry?

A: We offer US sizes 4-15 for women and men's sizing. If you're unsure about your size, use our detailed sizing chart on the website. We offer free size exchanges within 60 days if the fit isn't perfect.

Q7: Are Eco Friendly Shoes vegan?

A: Yes, all our shoes are 100% vegan. We use no animal-derived materials. Our 'leather' is plant-based or recycled synthetic alternatives. Lining and soles are also fully vegan.

Q8: Can I get a discount on my first order?

A: Yes! New customers get 15% off with code WELCOME15. We also offer other discounts: subscribe to our newsletter for 10% off, refer a friend program (\$15 credit each), student discount (20%), and seasonal sales (20-30% off).

Q9: How do I track my order?

A: You'll receive a tracking number via email as soon as your order ships. Use that number to track your package on our website or go directly to the carrier's tracking page. Most orders ship within 1-2 business days.

Q10: What if there's a defect in my shoes?

A: All shoes come with a 1-year manufacturing warranty. If there's a defect in materials or craftsmanship, contact us for a free repair or replacement. We stand behind our products—quality is important to us.

Q11: Are the shoes waterproof?

A: Most of our collections are water-resistant. The Trail Explorer collection features enhanced water-resistant treatment for outdoor hiking. For full waterproofing, we recommend applying a plant-based waterproof spray (which we sell separately).

Q12: What's your environmental impact?

A: Each pair of Eco Friendly Shoes creates measurable impact: planting 1-2 trees, removing 500g-1kg of ocean plastic, saving 50-100L of water, offsetting 5-10kg of CO2, and keeping waste out of landfills. Our packaging is 100% recyclable.

Q13: Do you offer customization?

A: Yes! Selected collections allow customization. Choose your upper color, sole type, and add personalization (name or initials). Customized orders take 7-10 business days and come with the same 60-day guarantee.

Q14: How should I clean my Eco Shoes?

A: Clean with cold water and mild soap using a soft cloth or brush. Air dry naturally—avoid direct heat or sunlight. Remove insoles if needed. Our materials age beautifully and improve with wear.

Q15: What certifications do you have?

A: We're Fair Trade Certified, Carbon Neutral Shipping certified, B Corp Certified, and part of the Ocean Wise partnership. Our materials are verified by the Sustainable Materials Index. Transparency and accountability matter to us.

8. CHATBOT INTEGRATION GUIDELINES

For Chatbot Developers:

This PDF is designed to be ingested by local LLM systems and retrieval-augmented generation (RAG) pipelines. Use it to fine-tune or retrieval-enhance your chatbot with accurate product and policy information.

Recommended Chatbot Frameworks:

LangChain + Ollama: Load this PDF into a vector database, use semantic search + local Ollama models (Llama 2, Mistral) for responses

LlamaIndex: Create an index from this document, query via local LLM backends

Retrieval-Augmented Generation (RAG): Embed this content in a vector store (Pinecone, Weaviate, Chroma), use for context-aware responses

GPT-4 + OpenAI Assistants: Upload this file to create an assistant with custom knowledge

Fine-tuning: Use Q&A; pairs (Section 7) to fine-tune open-source models like Mistral or Llama

Data Structure for Integration:

Each section of this document represents a distinct knowledge domain:

- Sections 1-4: Product/Company Knowledge
- Section 5: Policy Knowledge (Shipping, Returns)
- Section 6: FAQ Knowledge
- Section 7: Training Pairs (use for few-shot prompting or fine-tuning)

Chatbot Personality Guidelines:

- ✓ Friendly and approachable (target audience is teens/young adults)
- ✓ Authentic and transparent (sustainability is core to brand)
- ✓ Empowering (emphasize customer impact and choices)
- ✓ Solution-focused (provide specific answers, not generic responses)
- ✓ Values-aligned (when appropriate, mention environmental/social impact)
- ✓ Honest (if uncertain about policy, defer to human support)

Conversation Escalation Rules:

Escalate to human support if the customer:

- Has a complex technical issue (damaged shoe, manufacturing defect)
- Requests a refund or return authorization
- Reports fraud or security concerns
- Asks about custom bulk orders
- Expresses serious dissatisfaction or emotional distress

Example Chatbot Response Templates:

For Product Questions: 'Great question! Our [Collection Name] shoes feature [Key Feature]. They're made from [Materials] and come with [Key Benefit]. Would you like to know more?'

For Policy Questions: 'We're happy to help! [Policy Detail]. Is there anything else I can clarify?'

For Concerns: 'I understand your concern. Here's what we can do: [Solution]. We're committed to making it right.'

Continuous Learning:

Update this training document whenever you:

- Launch new products or collections
- Change pricing, shipping, or return policies
- Add new FAQs based on customer inquiries
- Update sustainability achievements or certifications
